## What is the Tokyo Short Film Project?

Created to celebrate the 10th anniversary of the collaboration between Tokyo Metropolitan Government and Short Shorts Film Festival & Asia, one of Asia's biggest short film festivals,

this project produces short films to make audiences all over the world think, "I want to go to Tokyo!"

Three directors from around the globe have made films depicting the attraction of Tokyo, each from their individual viewpoint.

Please be sure to discover your own "Tokyo," and come to visit the city.

Tokyo's renowned hospitality awaits you.
