**FREE ADMISSION!**

Mami closes herself off to the outside world. Her father finds her a job debugging videogames. Everything changes when her colleague discovers her artistic talent... Her Sketchbook is about the experiences of a social recluse as she bravely steps out of her comfort zone to rejoin society. Mugi Kadowaki (A Double Life, Close-Knit) stars in this slice-of-life drama that shines a light on the phenomenon of hikikomori.

**Proof of  
vaccination and
