An original feature from director Take Masaharu, 'We Make Antiques!' is a comic caper about the duplicity of scammers trying to outwit each other. Antique dealer Koike Norio (Nakai Kiichi) flounders around as he goes after a big break. He heads for Sakai, Osaka to find a treasure and encounters down-and-out potter Noda Sasuke (Sasaki Kuranosuke).

When a prominent appraiser dupes them both, the two losers collude to make a pile of cash by faking a "lost tea bowl" belonging to the historic tea master, Rikyu.
